SCOPE OF WORK AND ACCEPTANCE: These Standard Terms and Conditions for Services, and the written purchase order that accompanies, attaches, or incorporates them (the “Purchase Order” or “PO”) (collectively, the “Contract”), constitute the sole and exclusive terms on which Forged Solutions agrees to be bound. For the purposes of these Standard Terms and Conditions for Services Forged Solutions means the member of the Forged Solutions Group the details of which are set out in the Purchase Order. The term “Forged Solutions Group” includes Forged Solutions Global Holdings Inc. and any of its subsidiaries (as that term is defined in the Companies Act 2006). The term “Seller” denotes the party to the Contract who is to supply the Services to Forged Solutions. References in this Contract (as defined below) to the word “include” or “including” are to be construed without limitation to the generality of the preceding words.

In exchange for the Seller’s compensation listed on the Purchase Order, Seller agrees to perform the services referenced in the Purchase Order, which are referred to in this document as “Services”. Forged Solutions’ offer shall be deemed accepted by the Seller and the Contract will become legally enforceable on the earlier of delivery of a signed acknowledgment or commencement of performance of the Services covered under the Contract, by Seller. Any acceptance of the Contract is limited to acceptance of the express terms of the offer contained herein.

5. BREACH: If Seller fails to perform the Services in accordance with the terms hereof, Forged Solutions shall, without limiting or affecting other rights or remedies available to it, have one or more of the following rights: (a) to terminate the Contract with immediate effect by giving written notice to Seller; (b) to refuse to accept any subsequent performance of the Services which Seller attempts to make; (c) to recover from Seller any costs incurred by Forged Solutions in obtaining substitute services from a third party; (d) to require a refund from Seller of sums paid in advance for Services that Seller has not provided; and (e) to claim damages for any additional costs, loss or expenses incurred by Forged Solutions which are in any way attributable to Seller's failure to comply with the terms hereof. These rights shall extend to any substituted or remedial services provided by Seller. Forged Solutions' rights under the Contract are in addition to its rights and remedies implied by applicable law.

6. COMPLIANCE WITH FORGED SOLUTIONS' RULES: Seller, its employees, subcontractors, and all other persons or entities acting on behalf of Seller agree to abide by Forged Solutions' rules and reasonable requests while on premises owned, leased, or otherwise controlled by Forged Solutions. Forged Solutions reserves the right to bar from such premises Seller, any employee, subcontractor or any other person or entity acting on behalf of Seller for any cause that Forged Solutions deems reasonable.

8. SAFETY: Seller will provide all safeguards and precautions necessary in connection with the provision of Services to prevent the occurrence of any accident, injury, death, loss, or damage to any person or property, and Seller will be solely responsible for any such occurrences. Seller warrants that all Services delivered hereunder will be in compliance

with all Forged Solutions requirements concerning safety, performance and otherwise, including, without limitation, any work or services related thereto performed on premises controlled by Forged Solutions. Seller agrees to immediately notify Forged Solutions of any actual or possible safety or quality problems attributable to the Services delivered hereunder.

9. FORGED SOLUTIONS' PROPERTY AND PARTS: All property of any kind supplied to Seller or paid for by Forged Solutions will be and remains Forged Solutions' property, and Seller will maintain such property in good condition and repair. All Forged Solutions property, while in Seller's custody or control, will be held at Seller's risk, free of all liens, encumbrances or security interests of Seller or third parties, and will be kept insured by Seller at Seller's expense in an amount equal to replacement cost with loss payable to Forged Solutions. All property of Forged Solutions is subject to removal by Forged Solutions at any time, and to return upon Forged Solutions' request. Seller assumes all risk of death or injury to persons or damage to property arising from or related to use of Forged Solutions' property while such property is in the custody or control of Seller. Forged Solutions does not guarantee the performance of any Forged Solutions property or the suitability of any property furnished by it for any particular work. Seller assumes sole responsibility for inspecting, testing, and approving all of Forged Solutions' property supplied by Forged Solutions prior to any use by Seller.

10. SELLER EQUIPMENT: Seller shall perform the Contract by using its own tools and equipment (including those for individual protection), unless otherwise agreed in the PO, and shall be responsible for such equipment and tools whilst on the Forged Solutions premises. Forged Solutions shall in no event be held liable for any damages, theft, fires involving the property and assets of Seller introduced into the property and appurtenances of Forged Solutions.

Upon completion of the performance of the Contract or its termination, Seller shall leave the premises in a tidy state, in proper condition and remove all its tools.

11. REJECTION AND REVOCATION OF ACCEPTANCE: Forged Solutions shall not be bound to reimburse Seller for any Services that, in Forged Solutions' judgment, fail to conform to Seller's obligations under the Contract. Forged Solutions has the right, before payment, acceptance or delivery of Services under the Contract, to inspect the Services at any reasonable time and in any reasonable manner. Neither the inspection, testing, payment or auditing of any Services, nor the failure to do so, before delivery to Forged Solutions constitute acceptance of any Services, or relieve Seller from exclusive responsibility of furnishing Services in strict conformance with Forged Solutions' specification and

instructions. If, in Forged Solutions' judgment, the Services fail in any respect to conform to the Contract, Forged Solutions may: (a) reject the whole; (b) accept the whole; or (c) accept any commercial unit or units and reject the rest. Seller agrees that any notification of nonconformity by Forged Solutions, in whatever form, suffices to inform Seller that the transaction is claimed to involve a breach, and that Seller will be responsible for any losses resulting from the nonconformity. Forged Solutions shall have the right to claim damages for breach of contract as well as to the agreed liquidated damages set out in the PO. In an appropriate case, Forged Solutions may revoke its acceptance of Services. Seller agrees that Forged Solutions' acceptance of the Services is reasonably induced by Seller's assurances of their quality and conformity to the terms of the Contract.

12. SELLER'S COMPENSATION: Seller will promptly submit to Forged Solutions correct and complete invoices, supporting documentation, and all other information reasonably required by Forged Solutions in connection with the performance of Services. Invoices referencing Forged Solutions' Purchase Order number shall be issued by Seller showing only the costs/expenditures that are included in the Purchase Order plus VAT at the prevailing rate. Forged Solutions may withhold payment until such documents are received and verified. All invoices including items not listed in the Purchase Order and invoices not following the Forged Solutions Invoicing Requirements as published at <https://www.forgedsolutionsgroup.com/invoicing-requirements.pdf> (as may be updated from time to time) may result in the return of the invoice and delay in payment, payments arriving at Seller's bank account after the due date as a result of this will not be considered as late payments. All invoices for Services that, in Forged Solutions' judgment, strictly conform to the requirements of the Contract, will be paid in accordance with the payment term stipulated on the PO. Any cash discounts will be based on the full amount of the invoice, less freight charges and taxes if itemised separately on the invoice. Delay in receiving valid invoices or Services will be considered good cause for withholding payment without losing cash discount privileges. If the performance or delivery of Services covered by the Contract gives rise to mechanics' or other similar liens, payment will not be due and the cash discount period will not commence until Seller has obtained and delivered to Forged Solutions a complete release and discharge of all liens arising out of the performance of Services or receipt in full covering all labour and materials for which a lien could be filed or a bond satisfactory to Forged Solutions indemnifying it against any lien and any costs and expenses associated therewith. Forged Solutions will have the right, at any time, to set off and apply against any monetary obligations that Forged Solutions owes to Seller or any of its parents, subsidiaries or affiliates, under the Contract or otherwise, any obligations and/or liabilities that Seller, or any of its parents, subsidiaries or affiliates,

may owe to Forged Solutions, under the Contract or otherwise. Seller's compensation shall not exceed the maximum set forth in the Purchase Order without a writing expressly authorizing the increase signed by Forged Solutions. Seller agrees it shall have no right to seek additional sums based on quantum meruit, or any other theory of law, regardless of the work it performs related to the Contract.

13. AUDITS AND INSPECTIONS: Forged Solutions has the right to examine and audit, during normal business hours and upon reasonable notice, any and all records, data, invoices and documents that may contain information relating to Seller's obligations under the Contract. In addition, Seller agrees to provide reasonable assistance for such audits, inspections, and tests.

14. TAXES: Seller will bear and pay all applicable taxes which are based on or measured by net income, gross income or gross receipts including any withholding taxes levied against Seller for the privilege of doing business in a jurisdiction. If Seller is required by law to collect VAT or sales and use tax (including any gross receipts tax imposed similar to VAT or a sales and use tax) from Forged Solutions on behalf of any taxing jurisdiction, Seller will provide to Forged Solutions invoices which separately state and clearly indicate the amount of tax and Forged Solutions will remit any such tax to Seller. Seller will have the responsibility of complying with all applicable foreign, national, state or local laws regarding value added tax and sales and use tax or substitutes therefor including registration, collection of taxes and the filing of returns where applicable. Notwithstanding whether Seller must collect VAT or sales and use tax from Forged Solutions, Seller will state on every invoice the taxing jurisdiction (e.g. country, state and local jurisdiction) in which Services were provided. If applicable, in lieu of payment of any VAT or sales and use tax, Seller will accept a properly executed exemption or direct pay certificate from Forged Solutions. The determination of whether an exemption or direct pay certificate will be submitted to Seller in lieu of payment for any sales and use tax will be made by Forged Solutions on a location by location basis. With the exception of VAT or sales and use tax as described above, all other taxes, however denominated or measured, imposed upon Seller, or the price under the Contract, or upon the Services provided hereunder, will be the responsibility and liability of Seller.

15. CONFIDENTIALITY: During the term of the Contract and for five years after its cancellation, termination or expiration, Seller shall not make use of Forged Solutions' Confidential Information (as hereinafter defined) for purposes other than the fulfilment of the obligations under the Contract, or disclose to any person or entity, other than those of its employees who have a need to know, any Confidential Information, whether written or

oral, which Seller obtains from Forged Solutions or otherwise discovers in the performance of the Contract. "Confidential Information", as used in the Contract, will mean all information relating to Forged Solutions' business which is not generally available to the public. Confidential Information includes information that Seller possesses that predates the Contract. The foregoing provisions of this paragraph shall not apply to any information that is: (a) rightfully known to Seller prior to disclosure by Forged Solutions; or (b) rightfully obtained by Seller from any third party; or (c) made available by Forged Solutions to the public without restrictions; or (d) disclosed by Seller with prior written permission of Forged Solutions; or (e) independently developed or learned by Seller through legitimate means; or (f) disclosed by Forged Solutions to a third party without a duty of confidentiality on the third party; or (g) disclosed pursuant to any applicable laws, regulations, or order of a court of competent jurisdiction. Seller will provide reasonable prior written notice to Forged Solutions if it is required to disclose any of Forged Solutions' Confidential Information under operation of law. Forged Solutions expressly reserves the right to disclose any of the terms of the Contract, including but not limited to pricing, to third parties.

All Contract Developments, including patents and copyrights, will be the sole and exclusive property of Forged Solutions in respect to any and all countries, their territories and possessions. Seller hereby irrevocably and unconditionally assigns, or shall

procure the assignment (including by way of present assignment of future rights) to Forged Solutions of all right title and interest in and to the Contract Developments free of all liens, encumbrances and third party rights of any kind. Forged Solutions shall have complete and unrestricted right to use all Contract Developments prepared by Seller and its subcontractors in connection with the performance of Services. All Contract Developments may be used by Forged Solutions for any purpose without additional compensation to be paid to Seller.
